

DISCIPLESHIP | FAMILIES | MISSIONS

# *Ministry Term Plan*

April - July

## Discipleship Ministry

*A Christian is a disciple of Jesus. He saves us from death and instructs us on how to live in the way of the Living God. On Sundays and in these courses, we will explore more deeply how to think and live as faithful followers of Jesus.*

**Saturday, 9 May**

### **Examining the Heart: Anger**

*Powerful emotions swirl within us, and we are not always in control. That is certainly the case when it comes to anger. Let us examine our hearts and seek God's help in growing in self-control.*

**Sunday, 31 May**

### **Reading the Bible Together**

*Reading the Bible with others (in pairs or triplets) is a great way to enjoy deep Christian fellowship with God at the center. If this is new to you, join us to learn some tips and skills to gain confidence in thoughtfully handling God's word in a deeper way with others.*

**Sunday, 28 June**

### **Don't Waste Your Retirement**

*At different stages of life, Christian discipleship will come with unique opportunities and challenges. Come to listen and share together as we consider how to honour the Lord in retirement.*

**Saturday, 4 July**

### **Equip26: Women's Conference**

*Ladies, join us for a time of fellowship as daughters of God. Together we'll watch engaging, video-based Bible teaching from the book of Jonah. This short but powerful book is full of unexpected twists and turns, inviting us to reflect on our own hearts and the wonder of God's mercy.*

## Families Ministry

*In our God-given family roles and relational status, there are unique opportunities and challenges in how we live for Jesus. Our hope is that these courses will encourage and equip us to live faithfully for him in every season and circumstance.*

**Saturday, 24 May**

### **Big Picture Dating**

*Faced with thousands of dating advice and tips, we can feel overloaded, confused and have our confidence undermined. We are unsure of how to make good decisions and worry about making the wrong choice. What if dating is actually far more simple and straightforward?*

*In this seminar, we will look at how the Bible's grand vision of life shows us that there are only a few important things we need to focus on for a fruitful and God-glorifying life. And the big picture of the Bible can help us discern and make good decisions as we think about dating. There will also be an opportunity to hear from mature Christian couples share how God's ancient wisdom has helped them in their relationship with each other.*

## Missions Ministry

*We're passionate about making Christ known in Hong Kong and beyond. We long to see lives transformed by the good news of Jesus and want to equip our church family to share the gospel and pray for the nations.*

**Mondays, 20 April – 18 May**

### **Christianity Explored**

Are you curious about Christianity? We all have big questions about our lives, our purpose, and what really matters.

Christianity Explored is a relaxed, five-session course designed for non-Christians. Each week we'll enjoy dinner together, watch a short video, and explore who Jesus is, why he came, and what it means to follow him in small groups.

Come with your questions or simply sit and listen, as we discover the good news Jesus brings to our lives today.

## Want to know more?

Whatever stage of faith you are at, our prayer is that you'll grow in your love and knowledge of our Lord Jesus. Find out more about all of these courses as dates draw near.
